Printable

Key dates 2027

~5 Jan	Isra & Mi'raj (public holiday)
11 Jan	Sultan's Accession Day
~8 Feb	Ramadan begins
~10 Mar	Eid al-Fitr
~16 May	Eid al-Adha (Arafah ~15 May)
~6 Jun	Islamic New Year 1449
21 Jun	Khareef season opens in Dhofar
~14 Aug	Prophet's Birthday
Early Sep	New school year
11 Nov	Singles' Day (11.11)
20 Nov	National Day
26 Nov	White Friday

~ Islamic dates are expected and confirmed by moon sighting. Official days off are announced at the start of the year and may fall on different days.

January – June

Winter peak, Ramadan, two Eids and the start of summer

January

Winter peak

- Isra & Mi'raj and Accession Day holidays
- School mid-year break from 8 Jan
- Outdoor festival season

Do: outdoor events, tourism and family offers. Finalise Ramadan creative now.

NOTES

February

Ramadan starts

- Pre-Ramadan shopping in week one
- Ramadan expected from ~8 Feb
- Media use moves to late evenings

Do: shift ad schedules to evenings; lead with iftar, suhoor and giving.

NOTES

March

Eid al-Fitr

- Last ten days of Ramadan: peak shopping
- Eid al-Fitr expected ~10 Mar
- Post-Eid trips and gatherings

Do: peak budgets in the last ten days; set delivery cut-offs before Eid.

NOTES

April

Reset

- Post-Eid spending pause
- Last comfortable weeks before the heat
- Pohela Boishakh (14 Apr)

Do: retention, reviews and referrals; test new offers while costs are lower.

NOTES

May

Eid al-Adha

- Arafah ~15 May, Eid al-Adha ~16 May
- Travel and family gatherings
- Heat builds; life moves indoors

Do: travel, gifting and food offers; book summer campaigns.

NOTES

June

Summer begins

- Islamic New Year ~6 Jun
- School year ends after exams
- Khareef opens in Dhofar 21 Jun

Do: enrolment campaigns, summer travel and Salalah pre-bookings.

NOTES

July – December

Khareef, back to school, the outdoor season and the November cluster

July

Khareef peak

- Many Muscat families travel
- Dhofar's busiest weeks begin
- Malls, cinemas and delivery carry daily life

Do: Dhofar-targeted campaigns; indoor and delivery offers in the north.

NOTES

August

Back to school

- Khareef at full strength
- Prophet's Birthday ~14 Aug
- Back-to-school shopping, last two weeks

Do: uniforms, stationery, devices, transport and tuition offers.

NOTES

September

Restart

- New school year in early September
- Khareef winds down
- Businesses set Q4 budgets

Do: B2B outreach, Q4 planning and National Day creative briefs.

NOTES

October

Outdoor season

- Weather turns pleasant
- Tourist season begins
- Diwali (29 Oct)

Do: events, outdoor dining and tourism; warm up November audiences.

NOTES

November

Q4 cluster

- 11.11 online sales
- National Day 20 Nov (days off announced for 2027)
- White Friday 26 Nov

Do: give each moment its own job; don't run one long discount.

NOTES

December

Year-end

- Winter tourism in full swing
- Christmas for Christian communities
- Year-end sales and budgets

Do: gifting, dining and travel; lock the plan for Ramadan 2028 (late January).

NOTES

PLANNING RUNWAY

Start before the moment starts

MOMENT	START PLANNING	WARM UP AUDIENCES
Ramadan & Eid al-Fitr	Oct–Nov 2026	Mid-January 2027
Eid al-Adha	March 2027	Late April 2027
Khareef (Dhofar)	April 2027	Late May 2027
Back to school	May 2027	Late July 2027
National Day & White Friday	August 2027	Mid-October 2027

Islamic dates follow Umm al-Qura projections and are confirmed by moon sighting. National Day and Accession Day per Royal Decree; school dates from the Ministry of Education 2026/27 calendar. Since 2026, Oman announces official days off at the start of each year, and some are observed on nearby weekdays. Always confirm against official announcements before booking media. Dates checked September 27, 2026.

BEFORE EACH PEAK

Your checklist

- ☐ Offer and prices agreed, with stock or capacity confirmed
- ☐ Creative ready in Arabic and English
- ☐ Landing page and WhatsApp replies prepared
- ☐ Conversion tracking tested end to end
- ☐ Budget split: warm-up, peak and follow-up
- ☐ Delivery cut-offs and opening hours published
- ☐ Follow-up messages for after the peak

Want this turned into your own plan?

I'll map which moments your business should own in 2027, how much to put behind each and when to start.
